* Resistance monitoring data indicates pyriproxyfen resistance is not currently a concern for this region.

All regional dates are published on the CottonInfo and Cotton Australia websites:

<http://www.cottoninfo.com.au/stewardship>

<http://www.cottonaustralia.com.au/cotton-growers/resources/resistance-management-plans>

All questions or concerns regarding the TIMS Committee request for development of regional 30-day pyriproxyfen windows should be address to Sally Ceeney sallyc@cotton.org.au 0459 189 771

Sincerely,

Dallas King

Chair, TIMS Insecticide Technical Panel

Bernie Beirhoff
