Macquarie Cotton Growers Invites you to a Cotton Info Event

[www.mybmp.com.au](http://www.mybmp.com.au)

3<sup>rd</sup> Feb 15

## Integrated Pest Management Workshop

Dr Lewis Wilson will be heading to the Macquarie Valley to talk about how to best manage SLW and other pests on your farm. He will tell us about his latest research outcomes. This is focused at both growers and consultants. It will be an open forum for ideas and discussion (no death by PowerPoint) Light lunch provided

**When:** 10.30 am – 12.30 pm Tuesday 3<sup>rd</sup> of Feb

**Where:** Meet at Auscott Macquarie Car Park 10.15 am  
Oxley Highway Nevertire

**What to bring:** Bring a hat and clean boots depending on insect pressure we might go out into the field. Bring along some questions for Lewis, it will be an informal workshop, you will get a chance to have good discussion of your concerns.

RSVP: by Friday 30<sup>th</sup> January to
